4. Login Page

A centered white card with a light gray shadow on a light gray background. The card has a title "Sign In" in bold. Below it are two input fields: "Email Address" with the value "sanjithkarthikeyanr@gmail.com" and "Password" with masked characters "*****". A toggle icon is on the right of the password field. Below the fields is an orange "Sign In" button. At the bottom, a link says "Don't have an account? Sign up".

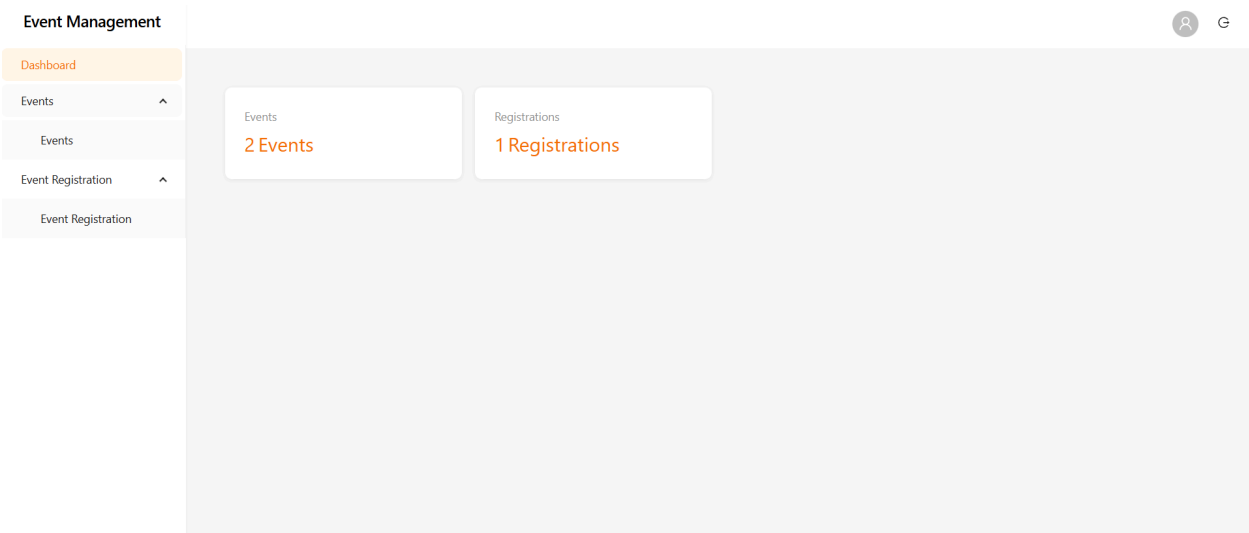

5. Signup Page

A centered white card with a light gray shadow on a light gray background. The card has a title "Sign Up" in bold, followed by the subtitle "Create an account to get started." Below are three input fields: "Full Name" with placeholder "Enter your full name", "Email Address" with the value "sanjithkarthikeyanr@gmail.com", and "Password" with masked characters "*****" and a toggle icon. Below the fields is an orange "Sign Up" button. At the bottom, a link says "Already have an account? Sign In".

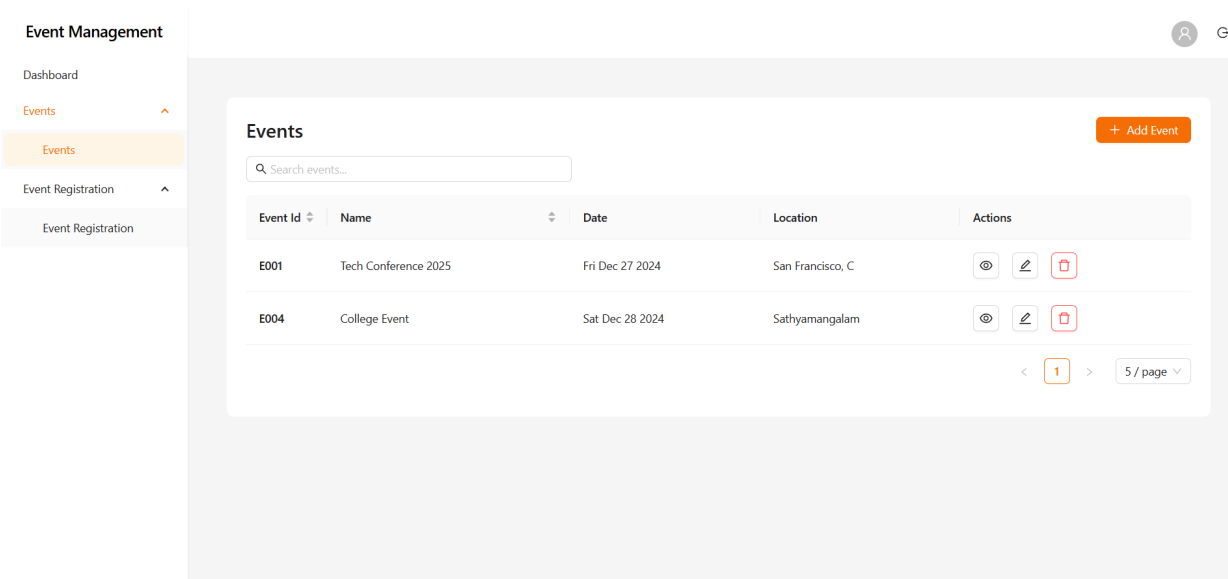

Admin Side:

1. Dashboard Overview

2. Events Page

a. List Events

b. Edit Event

The screenshot shows the 'Edit Event' modal in an Event Management system. The modal is centered over a blurred background of the main interface. The modal has a title bar with a close button (X). The form inside the modal contains the following fields:

- * Event ID:** A text input field containing 'E001'.
- * Event Name:** A text input field containing 'Tech Conference 2025'.
- * Location:** A text input field containing 'San Francisco, C'.
- * Event Date:** A date picker field showing '2024-12-27'.
- * Description:** A text area containing 'A conference focused on the latest tech trends and innovation.'

At the bottom of the modal, there are two buttons: 'Cancel' and 'Save'.

The background interface shows a sidebar with 'Event Management' and 'Events' selected. The main area displays a table of events with columns 'Event Id' and 'Name'. The table has two rows: 'E001 Tech Conferen' and 'E004 College Event'. There is also a search bar and a '+ Add Event' button.

c. View Event

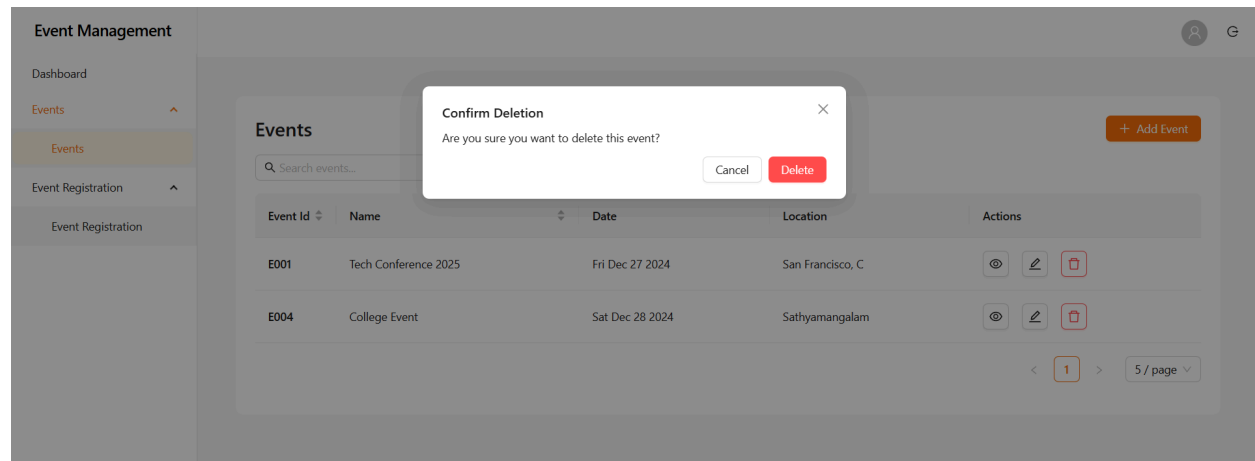

The screenshot shows the 'Event Details' modal in an Event Management system. The modal is centered over a blurred background of the main interface. The modal has a title bar with a close button (X). The form inside the modal contains the following fields:

- Name:** Tech Conference 2025
- Date:** 12/27/2024
- Location:** San Francisco, C
- Description:** A conference focused on the latest tech trends and innovation.

At the bottom of the modal, there is a 'Close' button.

The background interface shows a sidebar with 'Event Management' and 'Events' selected. The main area displays a table of events with columns 'Event Id' and 'Name'. The table has two rows: 'E001 Tech Conference 2025' and 'E004 College Event'. There is also a search bar and a '+ Add Event' button.
